PALM BEACH, Fla.—AiR and the Foundations Recovery Network and Southworth Associates proudly sponsor the 2009 Moment of Change Conference. This year's event will focus on specific issues around interventions, disease concepts and family participation. Various activities and information lectures take place surrounded by the lush grounds of the breakers, creating a relaxing and nurturing environment.

WHO 2009 Moment of Change Conference: Intervention Approaches for Professionals

WHAT Held in beautiful Palm Beach, this three day annual event for intervention professionals aims better practices and principles while allowing professionals to gain a deeper understanding about the intervention process as an initiation into treatment for those dealing with addiction and mental illness. Key personalities in the addiction and intervention fields will be in attendance and available for interviews, including AiR CEO and founder Andrew Wainwright. Extensive information into the history of intervention and addiction treatment will be presented.

WHEN September 28-30, 2009 at 8:15 p.m.

WHERE The Breakers Hotel and Resort, One South County Road, Palm Beach, FL 33480.

WHY The conference aims to apply clinical skills from a broad range of professional core functions, different therapy approaches and the mechanics of intervening. The event will also discuss advances in the field of addiction and intervention while providing information about key philosophies of intervention while educating participants as to how one may integrate these methods into practice.
